FEEDING THE PLANET  
ENERGY FOR LIFE

# AN OUTSTANDING ITALIAN LIFE STYLE EXPERIENCE

Italy is preparing to host Expo 2015 and to receive the millions of visitors who will come to visit this beautiful country for the first time. The theme of Expo 2015 "Feeding the Planet, Energy for Life" has been selected to highlight the excellence of Italian food and wine, strongly intertwined with the history and traditions of its various regions.

**Welcome to the Castle**, offers visitors from all over the world the opportunity to immerse themselves in Italian culture: art, history, architecture, landscape, nature, food and wine. Live the experience as a "country gentleman" in an authentic Italian castle, through the testimony of its owners. They will be there as your hosts, guides and fellow diners for the unforgettable experience of a day of classic Italian lifestyle.

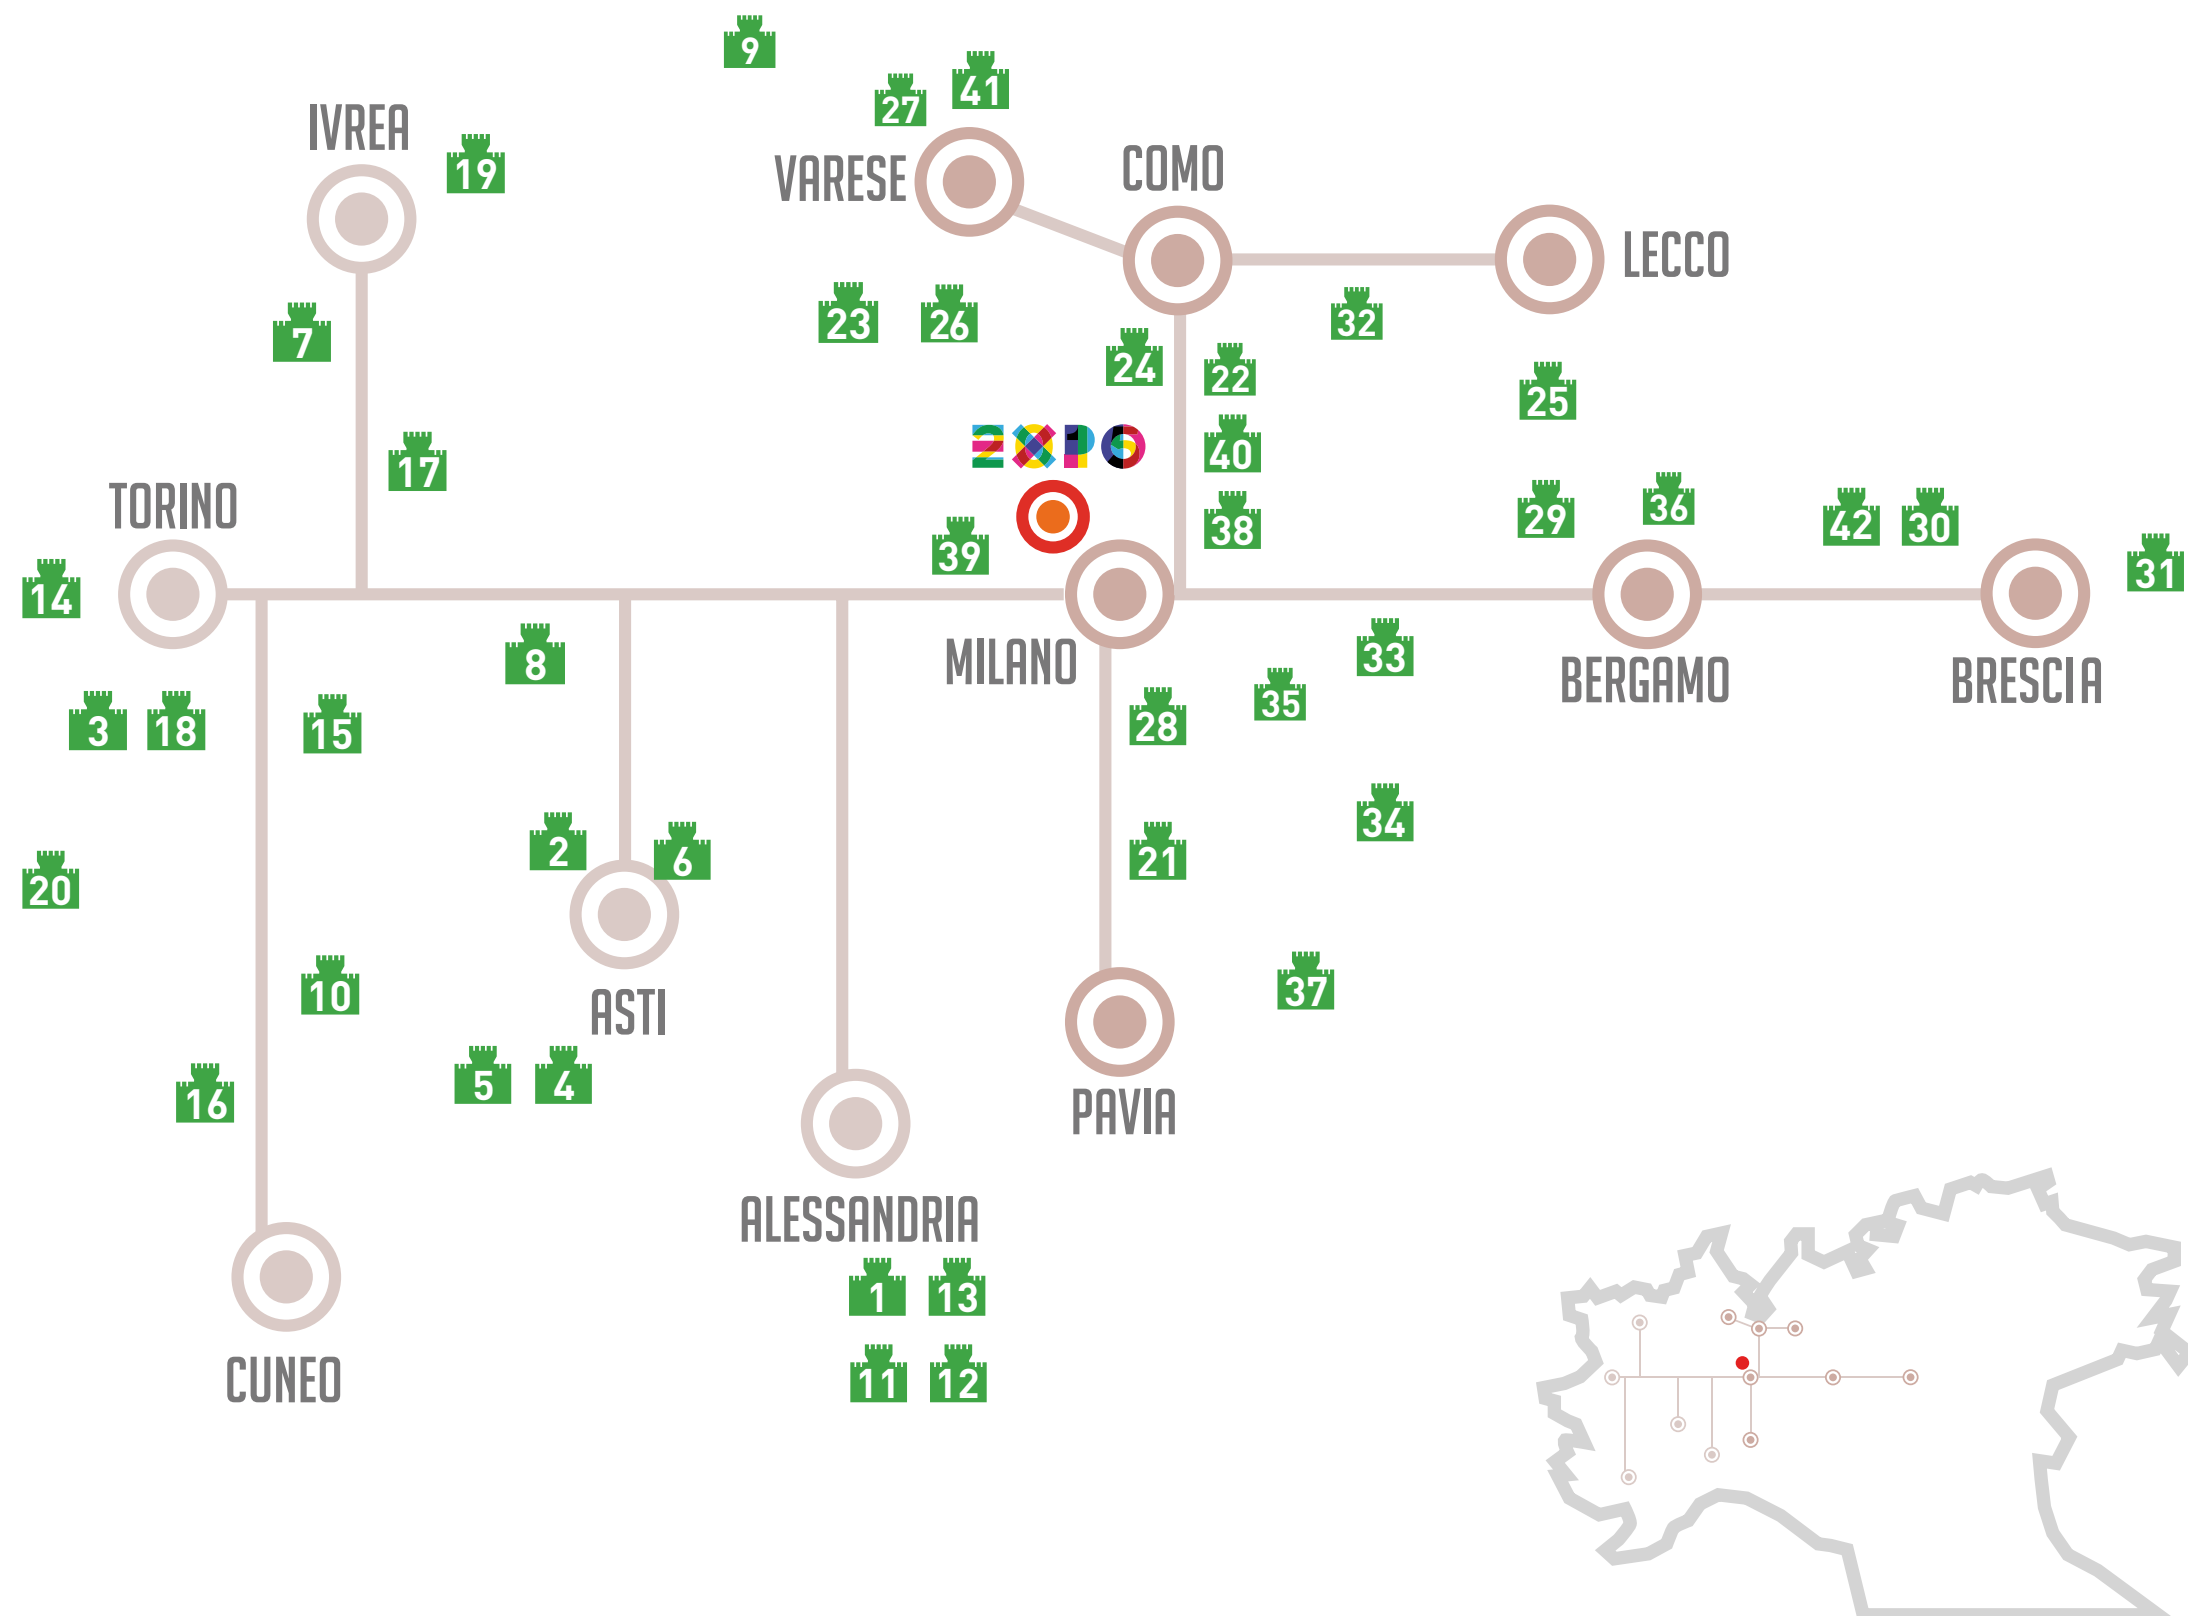

**Welcome to the Castle** offers the possibility to actively partake in the company of the castle and estate owners.

- **HISTORICAL DISCOVERY**
- **A ROMANTIC & GOURMET DINNER**
- **NATURE AND A WALKING EXPERIENCE**
- **EXPO BESPOKE EVENTS & LOCATIONS** in accordance with the requirements of Companies, Agencies and Tour Operators
